

WMT Waste Policy

Over the next year we will:

- Ensure regular waste audits are performed for all WMT facilities.
- Ensure recycling facilities for paper, cardboard, plastics and glass are available at all WMT facilities.
- Recycle all paper, cardboard, plastic and glass waste where possible.
- Ensure all staff have a personal/communal bin for recycling waste paper
- Ensure appropriate signage and staff awareness processes are in place to support composting and recycling initiatives
- Direct cleaners, through the cleaning contract, to keep recyclables separate from the waste stream and dispose of it in the appropriate places
- Direct cleaners, through the cleaning contract, to record residual waste going to landfill for our waste audit figures
- Inform staff about the waste policy and recycling initiatives through the intranet and regular audits.
- Ensure there is effective staff awareness and communication of the Waste Policy and the Trust's waste progress.
